

# MNPHA Announces a Partnership with People Corporation

*MNPHA is excited to announce our exclusive partnership with **People Corporation**. This partnership supports our mission to build support and strengthen our membership by providing cost effective solutions for Employee Benefits Consulting, Human Resources Consulting and Group Retirement Services.*

*The broad suite of high level services offered through this partnership will provide each of our members with tremendous value regardless of their size and will support the continued growth of our Association.*

## MNPHA Benefits Plan

The **MNPHA** is now able to offer a customized **Employee Benefits Plan** to members. This program is available to all of our members ranging in size from one employee to our complex larger members with multiple divisions, unions and employee groups.

This partnership offers all of our members exclusive access to a **MNPHA Wellness Program** and **Preferred Provider Networks** for **savings on Drug and Vision** costs. Members with existing benefit programs are able to maintain their current coverage and insurer relationships and still take advantage of these cost saving programs.

## Human Resources Support

The MNPHA Benefits Plan includes options for Human Resources Support.

We are especially pleased to announce the addition of the **Human Resources Support** available through the **MNPHA Employee Benefit Plan**.

The **HR @ Your Service** division of People Corporation is available for our members. There are multiple levels of support to address your individual needs from having support on call, on project and physically onsite.

The **HR @ Your Service** is your HR expert for all things HR, such as drafting and creating employee policy documents, employee engagement, management, development, transition, exit interviews, searches, compensation, and legislation to name a few.

You can be confident that regardless the question you will be supported by an experienced HR professional with expert knowledge relating to your specific issue.

## Group Retirement Solutions

The MNPHA Benefits Plan will support your company sponsored Groups Retirement programs.
