## Nomination Writing Tips!

**Use the criteria as your guide:** **Structure** the details in your submission around the criteria of the award. This makes it easier to see why your nominee has the right stuff to win!

**Be concise:** A submission that is overly long or repetitive is more difficult to read. Remember to be clear and summarize.

**Be specific:** Show us how your candidate has contributed to specific outcomes. ie. Did your non-profit build new units? Measurable outcomes and specific details help the Committee better understand your success!

**Tell a story:** Tell us a story that illustrates why your nominee is special. What do you have, or do, that makes them stand out among the crowd? Every person and organization has their own “personality” let it shine through in your submission!
