

MNPCHA and People Corporation - Your Partner!

People Corporation offers a suite of Employee Group Benefit, Group Retirement and Human Resources programs that are custom designed for the Manitoba Non Profit Housing Association and delivered by experts in the industry, to ensure comprehensive coverage, high quality service, quick turnaround and cost containment.

New MNPCHA Group Benefits Plan

- Plan offers members of all sizes a comprehensive benefit plan with multiple options of coverage to choose from.
- As part of this program all members will have access to programs and benefits that are exclusive to the MNPCHA Benefits Plan.
- The MNPCHA will have easy access and administration for all programs available through MNPCHA Benefits Plan via the MNPCHA website.
- Members will have a dedicated consulting and service team that has vast experience working in the Non Profit Sector.
- The MNPCHA Benefit Plan offers members a number of cost containment strategies and discount programs. As part of the MNPCHA Benefit Plan you are part of a larger plan which reduces the overall risk to you and the cost of running a program.
- The MNPCHA has a full Wellness Program available to all members, helping employees and management take a proactive approach to their own health and the health and well-being of their teams.

Human Resource Support

- Regardless of size, scope or need all businesses and Associations have Human Resources responsibilities.
- The @YourService Human Resources program offers a local presence highly qualified and specialized HR Team to meet your changing HR needs.
- People Corporation has an extensive client base in the nonprofit sector and understands the unique needs in your industry. Such as employee transition support, conflict resolution, employee communication, coaching, policy development and clarification, and more.
- The MNPCHA HR Solutions fit your needs, ranging from, On Call, On Call Plus, On Site and On Project. This ranges of support addresses your HR needs and maintains fiscal responsibilities.

Group Retirement Solutions

- As Part of Our Comprehensive Support the MNPCHA offers company sponsored Groups Retirements Solutions.
- Regardless of size we can support your Group Retirement needs. If the organization establishes a company sponsored retirement plan, the MNPCHA members will have access to a full suite of Financial Wellness tools and consulting through our Financial Wellness program.
- The MNPCHA GRS team ensures all compliance guidelines are in place, the appropriate service provider is selected, facilitates employee communication, supports the growth of your program and more.
