

# About Dulux

Dulux is a global leading brand of premium quality paint, and the guiding principles for any Dulux product are to ensure they consistently live up to the Dulux reputation for verifiable, total product performance that is both recognized and expected by our customers.

We offer a complete line of value-added paint products, exclusively through our Canadian Dulux Paints stores, including the recognized Glidden, and Flood brands as well as a wide range of specialty anti-rust paint and woodcare coatings.

We employ nearly 1,700 people in 2 manufacturing plants, 4 distribution centers and more than 240 corporate Dulux Paints stores across Canada. We are dedicated to delivering high performance solutions and quality products, as well as unrivalled technical expertise to meet the current and future needs of our customers.

Our decorative paints enrich people's lives by bringing visual delight and lasting care to their surroundings. You probably don't realize it but, every day, wherever you go, you're looking at our work. That's because more people choose our decorative paints and performance coatings than those of any other manufacturer. From hospitals and schools to the house next door our products are chosen by professional decorators, contractors and do-it-yourself enthusiasts across Canada.
