

**Live-in Building Supervisor
Permanent, Full-Time Position**

POSITION SUMMARY and PURPOSE: Guided by the mission, objectives and values of IRCOM House Inc. the Live-in Building Supervisor assists all tenants, program participants and staff and ensures provision of a clean and safe residential and work environment by:

- maintaining building and grounds,
- supervising maintenance staff and contractors,
- maintaining accurate records,
- supporting and educating tenants,
- monitoring all fire, safety and pest conditions, and
- supporting the Housing team and other departments

IRCOM House Inc. is a non-profit organization that provides safe, affordable, transitional housing for newcomer families from more than 20 different countries. IRCOM House Inc. operates two residential buildings: a 60 unit, 1, 2, 3 and 4 bedroom apartment block at 215 Isabel St., and a 66 unit, 2 and 3 bedroom apartment block at 95 Ellen St. IRCOM House Inc. is sponsored by the Immigrant and Refugee Community Organization of Manitoba, Inc., a non-profit charitable organization that assists newcomers to Winnipeg with accessible services and capacity building programs.

CANDIDATE PROFILE: The Live-in Building Supervisor is a key role at IRCOM House Inc. sharing strong technical, communication and people skills in caring for the housing environment and the tenants. This individual provides trusted support, timely, hands-on maintenance expertise, and practical information to tenant families and helps ensure that each family feels welcomed, safe and comfortable in their new home.

With guidance, support and supervision from the Housing Manager, the Live-in Building Supervisor will undertake the following duties and responsibilities:

Building and Grounds Maintenance (55%)

- Make minor repairs to plumbing and electrical fixtures, appliances, doors, walls and ceilings of suites, offices and community spaces
- Develop and implement schedules and procedures for preventive maintenance programs
- Ensure janitorial services to common building areas, grounds and snow removal are completed and that all building entryways are safe and attractively maintained
- Ensure IRCOM House Operations Manual procedures are followed, including regular inspections of suites, building envelope, systems and fixtures and report findings to Housing Manager
- Coordinate and supervise general maintenance, renovations, and structural and infrastructure projects in consultation with contractors
- Ensure all maintenance activities are delivered within cost, design, technical and scheduling criteria and have the prior approval of the Housing Manager
- Troubleshoot problems and prepare, analyze and develop solutions to address complex, building performance and system issues
- Ensure compliance with building code and make recommendations to Housing Manager to resolve any deficiencies

- Assist Housing Manager in preparation of annual and long term facility maintenance, procurement and upgrade plans
- Be 'on call' after regular work hours as per schedule developed by Housing Manager in order to respond to alarm activations and address other emergencies

Staff Supervision and Training (10%)

- Supervise and co-ordinate the work of Building and Grounds Maintenance Workers for cleaning, snow removal and landscaping operations
- Train Building and Grounds Maintenance Workers in WHMIS (Workplace Hazardous Material Information System) and implementation of Safe Work Procedures (SWP)

Contract, Records and Inventory Management (10%)

- Prepare and submit requests for proposals/quotation and specifications, analyze bids, negotiate pricing and recommend contract awards for all property and facility management functions to Housing Manager for approval
- Schedule and co-ordinate approved maintenance and repair work done by trades, consultants and inspectors
- Monitor progress, quality and cost of all contract labour and supplies and ensure work is compliant with regulations, and is done safely, on time and within budget
- Maintain up-to-date and accessible contact information of current and former contractors and external service providers
- Maintain accurate records of all maintenance activities, noting date and location of requests, type of repairs, length of time between request and completion of work, and time and supplies required in collaboration with administrative support
- Prepare and submit orders for maintenance supplies and equipment to Housing Manager for approval
- Maintain up-to-date inventory of all supplies, equipment and tools
- Maintain accurate records of daily, weekly, monthly, quarterly, semi-annual and annual fire safety inspections and reports

Tenant Education, Support and Relationship Development (10%)

- Assist Community Resource Team to provide orientation and training for all tenants regarding basic home maintenance, cleaning, and furniture disposal
- Arrange for tenants to move cars from parking lot for snow clearing in coordination with the staff team
- Train, mentor and supervise tenant volunteer cleaners and coordinate with building and maintenance workers
- Support on-site community building and tenant activities
- Monitor tenant safety needs and work with team in developing supports

Health, Fire & Safety Management (10%)

- Ensure general security of building by maintaining security and safety measures and standards
- Develop and implement schedules and procedures for safety inspections with trades and building systems contractors
- Serve as primary after hours contact with onsite contracted security personnel
- Monitor pest control issues throughout and around building and advise Housing Manager to arrange for pest treatment

- Arrange annual Fire Safety Inspection, repairs and reporting
- Respond to emergency facility, property and security situations on a 24 hour basis when on call
- Maintain clean, orderly work space and ensure safe usage and storage of all maintenance supplies and equipment according to WHMIS protocols
- Monitor use of heat treatment room
- Ensure generator is functional in event of power outage

Team & Inter-Departmental Support (5%)

- Cover second site Building Supervisor responsibilities as required or assigned
- Participate in after hours On Call rotation
- Participate in weekly team meetings, monthly staff meetings and other staff events
- Participate in ongoing professional development
- Comply with all applicable IRCOM House Inc. and IRCOM Inc. policies, procedures and guidelines
- Maintain constructive, positive communication with all staff members, contractors and service providers
- Perform other duties as required by the Housing Manager or designate
